

The ultimate RV way to explore

in the motorhome with a difference!

Revolution
the ultimate in class
and comfort!

A luxurious and truly unique recreational get-away

- Based on a brand new Fiat Ducato
- 6.3m overall length - the perfect not too long, not too narrow motorhome
- Excellent fuel economy and a pleasure to drive
- Designer interior with everything required to make your RV experience first class
- Exterior tastefully styled paint & graphics
- Custom-fitted motorhome door and windows (no noisy sliding door)
- Fully self contained plumbing & electrical systems with fully ducted cabin heating, 3 way fridge, solar, satellite dish, 4m awning, microwave...too much to list!
- Integrated insect & blackout blinds, creating a very well insulated camper
- Front swivel seating and lounge area
- Ample bench & storage space with flush fitting sink & 3 burner oven
- Rear east/west double bed can be permanently made up
- Spacious shower/toilet/bathroom
- Custom designed layout and decor choice - we can design with you!
