ecombo off road  
camper trailer  
**freedom,**  
with **comfort** built in

- Solid 4x4 trailer design
- Self sufficient - power, water, waste
- Hot enough - solar power to light the dark, and heat the hot water for showers
- Cold enough - built in fridge, keeps the important stuff cold
- Warm enough - double glazed bedroom to snuggle into at the end of the day
- Smart design keeps all the essentials packed away - tools, gas bottles, water tanks etc, there is even an option to have a built in rifle lock up
