# Key design features

### OFFROAD CAPABLE

Goes where your ute goes. Light weight, sturdy and compact, the Gladiator Pod is ready for river crossings, mud, and anything you can throw at it.

### QUICK-MOUNT SYSTEM

Extremely portable with an easy mounting on-and-off system.

### BUILT TO LAST

Ergonomic monoblock fiberglass body. Rust-proof, leak-proof and non-flammable, with antibacterial protection.

### WELL INSULATED

Quality insulation guarantees a comfortable night's sleep - whether in the warmer or cooler months.

### HIGH-IMPACT RESISTANT

High-strength fibre-reinforced composite exterior shell which proves high-impact, dent and crack resistant.

### COMPATIBLE WITH MOST UTES

Compatible with most double-cab utes. See page 7 for more information about compatibility.

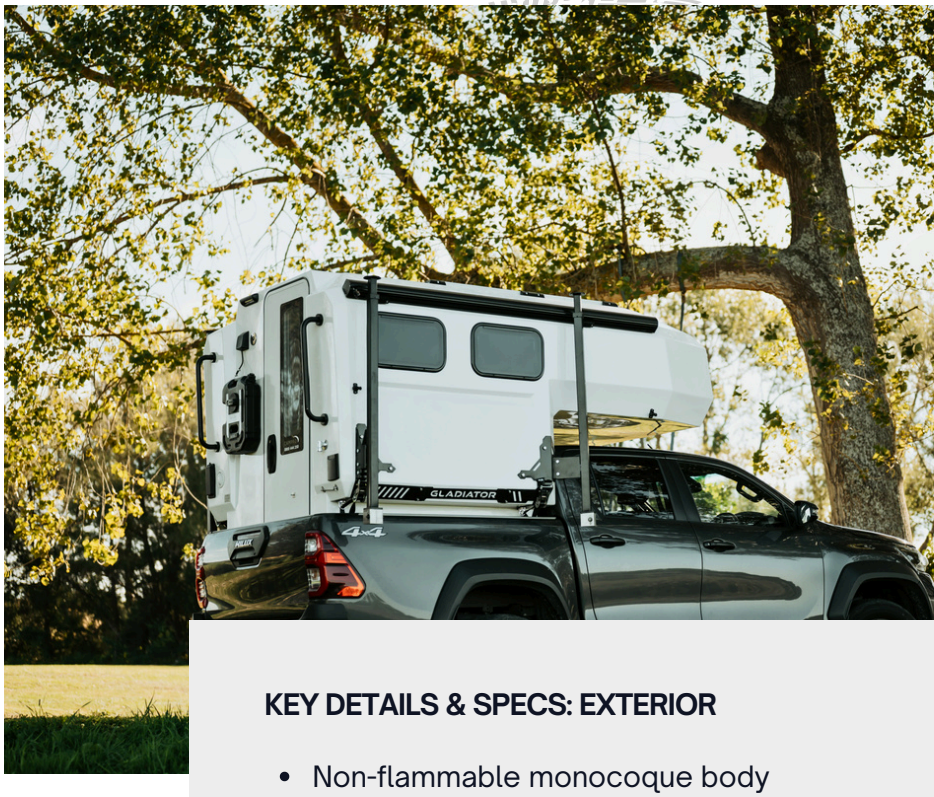

### MEETS NZ STANDARDS

**Gas and electrical** certified, and **self-containment** Green available as an extra!

# Quality exterior shell for all-round protection

Robust, lightweight and a complete monocoque unit, the Gladiator Pod's outer shell is a sturdy framework that will make you feel safe and secure in the toughest locations.

## Lightweight, lasting durability to get you anywhere, safely.

The fiberglass monocoque shell provides high chemical and mechanical strength, as well as a flexible structure to eliminate any kind of infiltration for a seamless period of time.

### KEY DETAILS & SPECS: EXTERIOR

- Non-flammable monocoque body
- Pod weight from 490kg
- Total width 1870 mm*
- Total length 2900 mm*

- Clean water tank 58 litres
- Waste water tank 30 litres

*DIMENSIONS ARE EXCLUDING EXTRAS

SEE PAGE 12 FOR FULL SPECS ›

### ANTIBACTERIAL SHELL

The antibacterial feature of the cabin stops any bacteria growth and formation.

### SNUG FIT ON THE UTE DECK

Designed to fit inside your ute's well-side so that you don't have to have the tailgate down or removed.

### OPTIONAL ADD-ON: ADVENTURE PACK

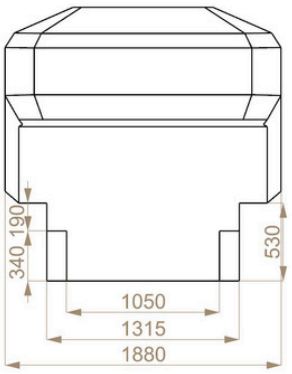

Planning an adventure? The Adventure Pack includes a hatchet, spade and recovery boards (as depicted right).

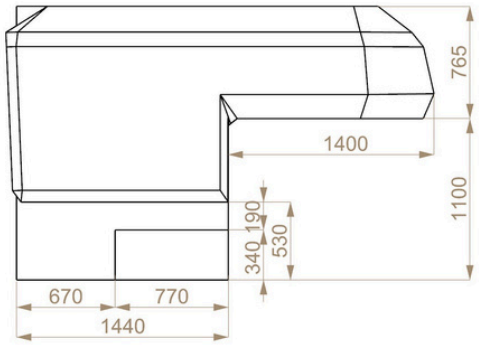

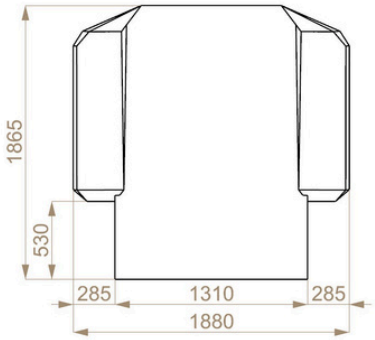

CUSTOMISE TO SUIT YOURSELF

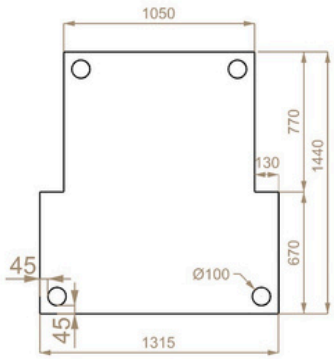

**OPTIONAL ADD-ONS AND UPGRADES**

### CABIN SPECIFICATIONS

- Interior Height 1820 mm
- Bed Capacity 2 (5 Optional)
- Bed Sizes 180 x 135 cm
- King Size Bed extensions

SEE PAGE 12 FOR FULL SPECS ›

## All-year-round comfort with great insulation properties

Summer, autumn, winter and spring... whatever the weather, hit the road! Your Gladiator Pod is **well insulated with monoblock technology to keep the inside cabin temperature consistent in both warmer or colder months.**

Both Gladiator Pod models feature 20mm high-density polyurethane insulation in the cabin walls, creating a thermos affect condition, which prevents heat transfer from the inside to the outside and reverse.

# Choose from a variety of colour palettes

Carefully chosen exterior and interior colours give the Gladiator Pod a stylish edge. Exterior and interior colour combinations are pre-selected. Get in touch to discuss custom colour combinations.
