Why customers love their Revolution

NEW ZEALAND-MADE QUALITY

Each Revolution is custom-fitted out by our skilled team of craftsmen right-here in our workshop in Nelson.

CUSTOMISED TO SUIT YOUR NEEDS

Choose your colour and textile palette to suit your taste. We'll also fit your Revolution motorhome with optional upgrades to suit your travel needs.

4WD OPTION AVAILABLE

Adventure without limitation! Take your Revolution to the next level with our 4WD Mercedes Benz Sprinter model. Go further, knowing your Revolution is capable of next-level adventuring.

FULLY SELF-CONTAINED AND NZ COMPLIANT

INNOVATIVE FEATURES FOR A BETTER ROAD TRIP EXPERIENCE

One of the most popular innovations is our full-swing door, for easy access. No noisy sliding door to disturb peace!

MERCEDES BENZ AND FIAT DUCATO SAFETY & PERFORMANCE FEATURES

The Revolution is housed in the durable shells of either Mercedes Benz Sprinter or Fiat Ducato models, providing a base vehicle well-suited to New Zealand roads with excellent safety and performance features.

AFTER-SALES CARE

Once you've joined *the Revolution*, Campro is here to guide you through any challenges or questions you have along the way!

Designed with the traveller in mind

We believe that your motorhome should bring the comforts of your own home with you on the road. The cocoon of your Revolution has innovative features to enable longer stays and comfortable living while you're on the road.

Everything you need, in a compact yet spacious layout.

- **Kitchen facilities** - cooktop, fridge, sink
- **Bathroom facilities** - toilet, shower, vanity
- **Bedding** - choose a layout that suits you
- **Seating areas** - set up a dining and lounge area
- **Electrical inclusions** - stay connected and charged
- **Storage** - overhead lockers and ample storage

We know Kiwi travellers love a great kitchen...

A great motorhome kitchen isn't about trying to recreate a full-sized household kitchen. It's about including exactly what you need, arranging it intelligently and making it enjoyable to use for long weekend stays.

Customise your palette

Choose a swatch for the benchtop and cabinetry to suit your style!

CHOOSE A FLOOR PLAN WITH A KITCHEN THAT SUITS YOU

Each Revolution floor plan includes a kitchen facility with varied features. **See page 10.**

A compact layout design offers maximised utility for getting the best out of your kitchen, no matter where you are. Enjoy quality appliances including cooker and fridge, with a glass-lid sink for extended bench space when desired, and ample drawers and storage for your utensils and cooking equipment.

Note: Details and inclusions vary between models.

Sit back and enjoy the view...

Customise your palette

Choose from our large range of quality fabrics to suit your style!

Cosy and comfortable, each Revolution floor plan hosts a variation of seating for extra entertaining and lounging.

PLUSH SEATING/SLEEPING

Quality upholstered seat squabs provide comfort for long, relaxing evenings.

STORAGE UNDERNEATH

Keep your outdoor furniture, additional bedding or sports equipment safely stored.

STAY COMFORTABLE, YEAR ROUND

Well insulated with double glazed windows and integrated insect and blackout blinds. Diesel-powered heating keeps the camper warm in the colder months, with roof ventilation for the warmer months.

Note: Details and inclusions vary between models.

Sleep like a baby, in the middle of nowhere

Ranging from bunk beds to single beds to a queen size double bed, you can choose a Revolution vehicle floor plan to best suit your sleep preferences.

Bonus dining area!

Swivel your driver and passenger seats and dine at the swing-around table for a cosy space to enjoy your meals.

Differing layouts offer extra lounging space and provision for table to be moved to the rear area if desired.

Note: Details and inclusions vary between models.

Live self-contained on the road with complete bathroom facilities

Compact, practical and thoughtfully laid out, everything you need is right at hand — making longer trips, remote stays and everyday touring that much easier.

TOILET

Vehicle models include either a composting toilet or a cassette toilet with a waste tank an optional SOG ventaliation kit for a chemical/ odour free result!

BASIN AND SHOWER

Wash basin with a retractable shower and wall cabinet to store your toiletries.

WASTE WATER AND FRESH WATER

Waste/fresh water tanks, with filling and dump hoses.

Plenty of storage, so your Revolution can feel like your home on wheels!

You don’t need to pack lightly when you’re road tripping in your Revolution! With overhead cabinetry, several drawers, and under-bed storage in some floor plans, you’ll be able to keep your recreational items and personal belongings with you for the road.

Note: Details and inclusions vary between models.

Stay connected, entertained and in control with all the tech you need

Your Revolution motorhome is packed with practical technology designed to make life on the road easier.

SMART CONTROL. EFFORTLESS ADVENTURES.

Using the user friendly Redarc RedVision battery management system, all your 12v system and appliances are just a finger touch. Voltages, power consumption, water tank levels are all right there.

IN-HOUSE ENTERTAINMENT

Auto satellite dish with a swing out Smart TV lets you adjust the screen to suit where you're relaxing, whether you're winding down in bed or putting your feet up in the living area. Starlink connection optional.

USB & POWER SOCKETS

Multiple internal mains power points enable you to keep your devices charged and performing well.

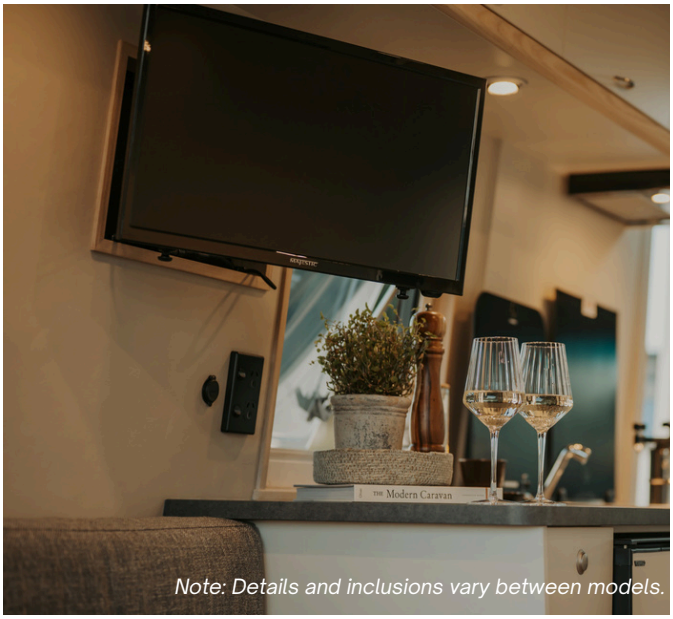

SOLAR POWER

Harness the power of the sun with solar power. Enjoy the feeling of independance with being off-grid

LPG & SMOKE DETECTORS

Keep a peace of mind with fitted smoke and gas detectors.
